

SHIELD SCONCE

DESCRIPTION

The Shield Sconce casting is made of solid brass. Its body has been cast from a master carving using the investment cast process. The back plate and stem have been machined by hand. All parts are hand polished and plated. The diffuser is borosilicate glass that is bead blasted.

FINISHES

Shown in Oil Rubbed Bronze with Black Bronze wall plate. Also available in Light Antique Bronze, Matte Nickel and Black Bronze. Note: All finishes may vary slightly.
